

## HUMS2021 Latest Updates

Dear Sir/Madam,

There are **three** important updates to HUMS2021, AIAC19 and the Avalon Airshow:

1. HUMS2021 and AIAC19 will be both an online and in-person event (**hybrid**). Presenters and attendees will have the option of attending online or in-person. Further details will be communicated as they become available.
2. The abstract submission was extended until **9 Apr 2021** and the online submission portal will be open over the weekend 10-11 April. However, due to the lateness of this email, the HUMS2021 Committee will be considering **late submissions**. See below about how to submit an abstract.
3. New Conference, Congress and Avalon Airshow dates:
  - a. **AIAC19 and HUMS2021 new dates:** Monday 29 November 2021 to Thursday 2 December 2021 (Monday and Tuesday; Melbourne CBD location, Wednesday and Thursday Avalon Airshow).
  - b. **Avalon Airshow new dates:** Tuesday 30 November to Sunday 5 December 2021.

### Abstract submission

- Prior to the new deadline: Online only through the [AIAC19 web portal](#). The portal will remain open over the weekend 10-11 Apr 2021. Choose the **HUMS** theme during the submission process and indicate your attendance preference.
- Late submissions: If you cannot meet the deadline please contact the Congress organisers via email at [aiac@engineersaustralia.org.au](mailto:aiac@engineersaustralia.org.au) and they will be able to assist with late submission. Please cc the HUMS Committee at [HUMS2021@humsconference.com.au](mailto:HUMS2021@humsconference.com.au)
